

Attendees: Bailie, Mary, Phil, Sean, Erin, Aubin

- Leadership Team Meeting
 - Great overview of where we have been and where we are headed
 - Displayed the processes behind the LCD - concept to quantification
- Conceptual models
 - What level of complexity would you like with the conceptual models?

Vs.

- There is an audience for each of these - we want to be able to show both to experts so they can refine from there; the leadership team could look at the simpler models
- Meetings in the Crown (6/6 – 10)
 - June 6th - meeting with Clint from 1-5pm
 - Sean will send email to Clint and his team to confirm
 - Craig Barfoot, Barry Hanson
 - June 7th and 8th - in person steering committee meeting
 - In the agenda, build in time for CSKT folks - a presentation from Rich or someone from the Tribe on their resource and
 - June 9th - Tabitha Graves\GB\Carnivores\Connectivity West Glacier time TBD
 - List of hopeful others: CSKT, Nanette, Melissa Jenkins/WBP, Elliot - Cultural Features
- FY22 Funding and paperwork
 - Modifications to existing agreements - we've been adding money, but not time
 - Erin and Sean will write a new agreement that will extend the end date of the LCD
- Tech Team
 - Natalie will cancel the tech team meeting for next week
